

# THERE'S A NEW STAR IN HEAVEN TONIGHT

*From Album The Lady In Red . By Chris de Burgh . Written by Chris de Burgh*

Shadows darken and the day is done,  
And I cannot believe,  
It's true and you are gone,  
You were always here beside me;

You gave so much as the Queen of Hearts,  
To those without love,  
You were their voice when they could not speak,  
A touch for the dying;

And as we say goodbye I can hardly see,  
For the tears in my eyes,  
You are shining like a million suns,  
And there's a new star up in Heaven tonight;

I wonder if you ever knew how much you were loved,  
And in the darkness of a lonely room,  
Were you empty inside?

As you fade away it's like a light,  
Has gone from the world,  
But I am sure that there is a place,  
Where it will burn on forever;

And as we say goodbye I can hardly see,  
For the tears in my eyes,  
You are shining like a million suns,  
And there's a new star up in Heaven tonight,  
And there's a new star up in Heaven tonight.
