

TWO SIDES TO EVERY STORY

From Album Two Sides To Every Story . By Chris de Burgh . Written by Chris de Burgh

(Chris de Burgh)

I really love it when you say to me that I'm the one who makes you strong.
When we're together we are so complete, you say here's where you belong.

But when you dance, oh how you dance tonight,
With every man in sight, seduction pouring from your eyes...

(Both)

Two sides to every story, we're standing world's apart,
how can you say you love me, when you keep playing with my heart?

(Shelley Nelson)

I really love it when you hold me tight and you tell me that I'm the best!
The way you touch me, and the way you kiss, and the thrill of your caress.

But when you smile, you smile at every girl
like you're the greatest lover in the world, you should keep your feelings to yourself !

Two sides to every story, we're standing worlds apart,
How can you say you love me when you keep playing with my heart?

(Chris de Burgh)

You dance with any man.

(Shelley Nelson)

What about you, going like a hurricane!

(Chris de Burgh)

That's not true! There's nothing to explain.

(Shelley Nelson)

Well there you go again!

(Both)

You're always trying to get the last word!

Two sides to every story, we're standing worlds apart,
How can you say you love me when you keep playing with my heart?

(Chris de Burgh)

Maybe I flirt a little too much.

(Shelley Nelson)

And I just love to dance!

(Chris de Burgh)

Let me say it loud and clear:

I want you!

(Shelley Nelson)

I want you too
