

# ONE WORD (STRAIGHT TO THE HEART)

*From Album Into The Light . By Chris de Burgh . Written by Chris de Burgh*

One word, one heart, one night, is all I want,  
One word, one heart, one girl, is waiting there for me,

Midnight, and all is well,  
I hear the mission bell,  
Out on the road, nothing is moving,  
As I speed from town to town,

Two hearts are beating fast,  
But they are still many miles apart,  
Oh the mood was shining on a distant shore,  
Burning like a fire in my heart,  
I've got to see her, I've got to say,

One word, one heart, one night, is all I want,  
One word, one heart, one girl, is waiting there for me,  
I never knew I cared so much before,  
I've got to tell her tonight - straight to the heart,  
I'm going to tell her tonight - straight to the heart,  
I've got to tell her tonight - straight to the heart,  
Like a cannonball...

Headlights are blazing through,  
Turn on the radio, I hear the news,  
Hand on the wheel, foot on the floor,  
And on, and on, and on we go,  
This car is like a friend,  
Bring her the message that I want to send,  
Oh the dawn was breaking and I saw the sun,  
Burning like a fire on the bay;  
I'm nearly there now, I'm gonna say –

# ONE WORD (STRAIGHT TO THE HEART)

*From Album Into The Light . By Chris de Burgh . Written by Chris de Burgh*

One word, one heart, one night, is all I want,  
One word, one heart, one girl, is waiting there for me,  
I never knew I cared so much before,  
I've got to tell her tonight - straight to the heart,  
I've got to tell her tonight - straight to the heart,  
I've got to tell her tonight - straight to the heart,  
Like a cannonball...

One word, (yes), one heart,  
One night, (yes), one girl, (yes),  
I've got to tell her tonight - straight to the heart,  
I've got to tell her tonight - straight to the heart,  
I've got to give her my love - straight to the heart,  
I've got to give her my love - straight to the heart,  
I've got to tell her myself - straight to the heart,  
I've got to tell her tonight - straight to the heart  
Like a cannonball...
