

# WHEN I THINK OF YOU

*From Album Quiet Revolution / Notes From Planet Earth . By Chris de Burgh . Written by Chris de Burgh*

There is something on my mind, and I'm losing concentration,  
And I feel it every time that you are near me,  
I could tell you all about, your picture at my bedside,  
I should call you sometime, and talk it over,  
'Cos I get a kick inside, and I feel a tingle too,  
It just comes from time to time,  
And it only happens

When I think of you sleeping, when I'm dreaming, when I wake up,  
when I think of you walking, when I'm talking, when I look up, when I think of

You take me away to a land of mass confusion,  
And I don't know what to say, when I am near you,  
I could stand here all day long, just staring at your window,  
But I have so much to do, that's so important,  
Then I get a kick inside, and I feel a tingle too,  
It just comes from time to time,  
And it only happens

When I think of you sleeping, when I'm dreaming, when I wake up,  
When I think of you, walking, when I'm talking, when I look up, when I think of

You may get the feeling that I'm dancing on the ceiling,  
When I get a kick inside, and my head is spinning too,  
It just comes from time to time,  
And it only happens

When I think of you sleeping, when I'm dreaming, when I wake up,  
When I think of you, when I whisper to your picture, when I kiss it, when I think of you

When I think of you, when I'm dreaming we're together, on my sofa,  
When I think of you, when I'm wishing that we're kissing, when we're dancing,  
When I think of you.
