

# SUDDENLY LOVE

*From Album Flying Colours / The Love Songs . By Chris de Burgh . Written by Chris de Burgh*

Suddenly love comes in and finds me on open ground,  
Nowhere to hide, nowhere to run, there's no turning back,  
And a journey has just begun;

Suddenly love breaks down the doors,  
There is singing inside,  
And all of the light that's in your eyes, shining here tonight,  
Has woken the man in me, and the woman in you,  
The woman in you;

All night, heads on the pillow, and eyes that are never shut,  
All night, rain on the window, but inside, we have so much;

Suddenly love takes me away where I've never been,  
Shows me a world I have never seen, I could only dream,  
That I ever would find myself with a lover like you,  
A lover like you;

All night, heads on the pillow, and eyes that are never shut,  
All night, body to body, and thrilling to every touch,

Oh, suddenly love takes me away where I've never been,  
It shows me a world I have never seen, and I just want to be,  
Alone in your mystery, love me over and over, and over and over again.
